

Department of Computer Technology

Vision Statement of the Department.

To be a preferred hub for nurturing computer engineering aspirants through innovative, ethical, value-based technical education, impactful research, and industry collaboration, to become successful professionals contributing for the betterment of society.

Mission Statement of the Department.

To nurture computer engineering professionals by offering Dynamic learning environment that encourages problem-solving using emerging technology, National Education Policy aligned evidence-based technical education, fostering innovation, research, and industry-institute collaboration & Holistic, ethical and sustainable development for lifelong success.

Session 2026-2027

Vision: Dream of where you want.**Mission:** Means to achieve Vision

Program Educational Objectives of the program (PEO): (broad statements that describe the professional and career accomplishments)

PEO1	Preparation	P: Preparation	Pep-CL abbreviation pronounce as Pep-si-IL easy to recall
PEO2	Core Competence	E: Environment (Learning Environment)	
PEO3	Breadth	P: Professionalism	
PEO4	Professionalism	C: Core Competence	
PEO5	Learning Environment	L: Breadth (Learning in diverse areas)	

Program Outcomes (PO): (statements that describe what a student should be able to do and know by the end of a program)

Keywords of POs:

Engineering knowledge, Problem analysis, Design/development of solutions, Conduct Investigations of Complex Problems, Engineering Tool Usage, The Engineer and The World, Ethics, Individual and Collaborative Team work, Communication, Project Management and Finance, Life-Long Learning

PSO Keywords: Cutting edge technologies, Research

“I am an engineer, and I know how to apply engineering knowledge to investigate, analyse and design solutions to complex problems using tools for entire world following all ethics in a collaborative way with proper management skills throughout my life.” to contribute to the development of cutting-edge technologies and Research.

Integrity: I will adhere to the Laboratory Code of Conduct and ethics in its entirety.

Name and Signature of Student and Date

(Signature and Date in Handwritten)

Department of Computer Technology

Vision Statement of the Department.

To be a preferred hub for nurturing computer engineering aspirants through innovative, ethical, value-based technical education, impactful research, and industry collaboration, to become successful professionals contributing for the betterment of society.

Mission Statement of the Department.

To nurture computer engineering professionals by offering Dynamic learning environment that encourages problem-solving using emerging technology, National Education Policy aligned evidence-based technical education, fostering innovation, research, and industry-institute collaboration & Holistic, ethical and sustainable development for lifelong success.

Session	2024-25 (ODD)	Course Name	Web Technology Lab
Semester	3	Course Code	23CT1301
Roll No	13	Name of Student	Juhi Parwani

Practical Number	
Course Outcome	1. Understand various internet technologies. 2. Design the web pages using HTML and CSS. 3. Implement the XML technology to store the data. 4. Develop the interactive web pages using JavaScript.
Aim	To create a Student Registration Form using various HTML tags and form elements.
Problem Definition	Design and develop a Student Registration Form using HTML. The form should collect student information such as name, date of birth, gender, email, mobile number, address, course, hobbies, photograph, and password. The form should also provide Register and Clear buttons.
Theory (100 words)	HTML (HyperText Markup Language) is used to create and structure web pages. HTML provides different tags and form elements for collecting information from users. The <form> tag is used to create a form. The <input> tag is used to accept different types of data such as text, date, email, telephone number, password, file, radio buttons, and checkboxes. The <textarea> tag is used to enter multi-line information such as an address. The <select> and <option> tags are used to create a drop-down list. Submit and reset buttons are used to submit and clear the form data.

Department of Computer Technology

Vision Statement of the Department.

To be a preferred hub for nurturing computer engineering aspirants through innovative, ethical, value-based technical education, impactful research, and industry collaboration, to become successful professionals contributing for the betterment of society.

Mission Statement of the Department.

To nurture computer engineering professionals by offering Dynamic learning environment that encourages problem-solving using emerging technology, National Education Policy aligned evidence-based technical education, fostering innovation, research, and industry-institute collaboration & Holistic, ethical and sustainable development for lifelong success.

Procedure and Execution

(100 Words)

Step for Implementation:

1. Create an HTML document.
2. Add the title Student Registration Form.
3. Create a form using the `<form>` tag.
4. Add text input fields for student name.
5. Add a date input for Date of Birth.
6. Add radio buttons for Gender.
7. Add email and telephone input fields.
8. Add a `<textarea>` for Address.
9. Add a `<select>` element with different course options.
10. Add checkboxes for Hobbies.
11. Add a file upload field for the student photograph.
12. Add a password field.
13. Add Submit and Reset buttons.
14. Run the HTML file in a browser and verify the output.

Code:

```
<!DOCTYPE html>
<html>
<head>
  <title>Student Registration Form</title>
</head>

<body>

  <h1 align="center">Student Registration Form</h1>

  <form>

    First Name:
    <input type="text"><br><br>

    Last Name:
    <input type="text"><br><br>

    Date of Birth:
    <input type="date"><br><br>

    Gender:
    <input type="radio" name="g">Male
    <input type="radio" name="g">Female
```

Department of Computer Technology

Vision Statement of the Department.

To be a preferred hub for nurturing computer engineering aspirants through innovative, ethical, value-based technical education, impactful research, and industry collaboration, to become successful professionals contributing for the betterment of society.

Mission Statement of the Department.

To nurture computer engineering professionals by offering Dynamic learning environment that encourages problem-solving using emerging technology, National Education Policy aligned evidence-based technical education, fostering innovation, research, and industry-institute collaboration & Holistic, ethical and sustainable development for lifelong success.

```
<input type="radio" name="g">Other
<br><br>

Email:
<input type="email"><br><br>

Mobile:
<input type="tel"><br><br>

Address:<br>
<textarea rows="4" cols="30"></textarea>
<br><br>

Course:
<select>
  <option>BCA</option>
  <option>B.Sc</option>
  <option>B.Com</option>
  <option>B.Tech</option>
  <option>BA</option>
</select>
<br><br>

Hobbies:
<input type="checkbox">Reading
<input type="checkbox">Sports
<input type="checkbox">Music
<input type="checkbox">Dancing
<br><br>

Upload Photo:
<input type="file"><br><br>

Password:
<input type="password"><br><br>

<input type="submit" value="Register">
<input type="reset" value="Clear">

</form>

</body>
</html>
```

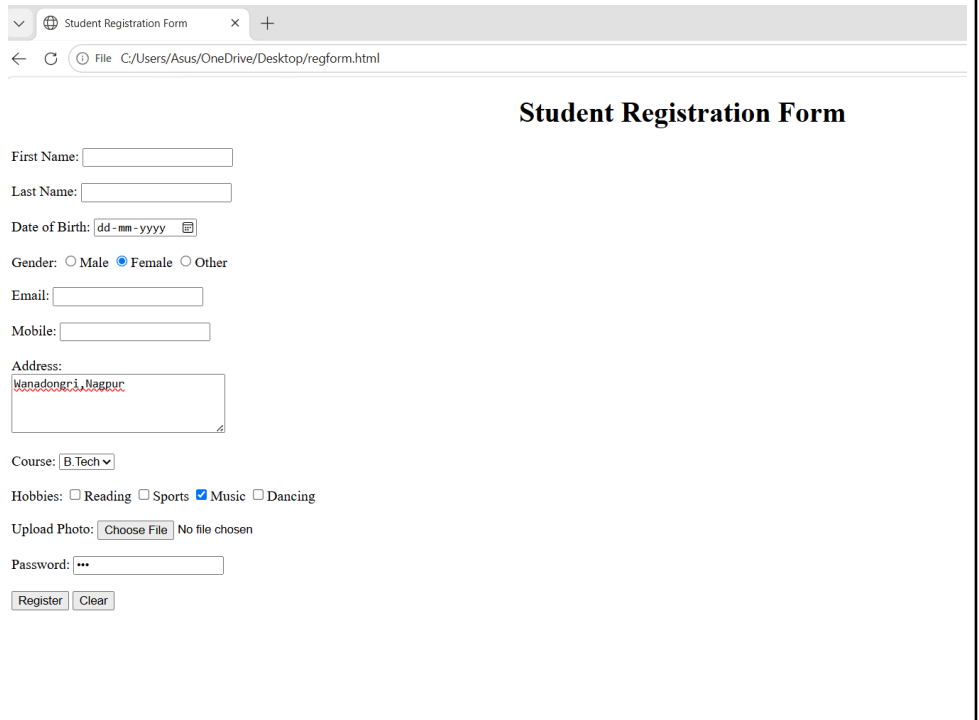

Department of Computer Technology

Vision Statement of the Department.

To be a preferred hub for nurturing computer engineering aspirants through innovative, ethical, value-based technical education, impactful research, and industry collaboration, to become successful professionals contributing for the betterment of society.

Mission Statement of the Department.

To nurture computer engineering professionals by offering Dynamic learning environment that encourages problem-solving using emerging technology, National Education Policy aligned evidence-based technical education, fostering innovation, research, and industry-institute collaboration & Holistic, ethical and sustainable development for lifelong success.

	Output: Student Registration Form displaying fields for student details, gender selection, course selection, hobbies, photo upload, password, Register button, and Clear button. 
Output Analysis	The Student Registration Form was successfully displayed in the web browser. All the required HTML form elements such as text boxes, radio buttons, checkboxes, textarea, drop-down list, file upload, password field, submit button, and reset button were implemented successfully.
Link of student Github profile where lab assignment has been uploaded	https://github.com/juhiparwa-1507/Web-Technology-Lab.git
Conclusion	Thus, the Student Registration Form was successfully created using various HTML tags and form elements. The form provides a simple and user-friendly interface for collecting student information.

Department of Computer Technology

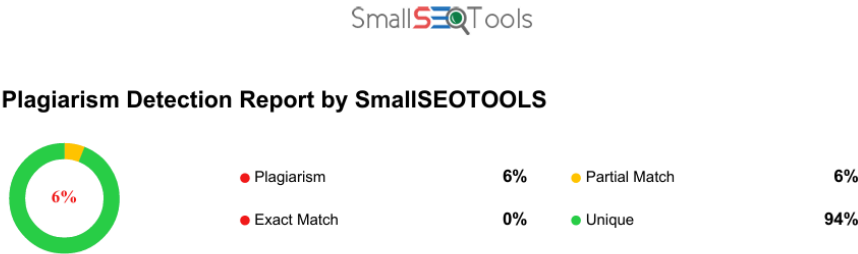

Vision Statement of the Department.

To be a preferred hub for nurturing computer engineering aspirants through innovative, ethical, value-based technical education, impactful research, and industry collaboration, to become successful professionals contributing for the betterment of society.

Mission Statement of the Department.

To nurture computer engineering professionals by offering Dynamic learning environment that encourages problem-solving using emerging technology, National Education Policy aligned evidence-based technical education, fostering ,innovation, research, and industry–institute collaboration & Holistic, ethical and sustainable development for lifelong success.
